

SRTP parser

```
graph RL; G711A[G.711-A] --> SRTP[SRTP parser]; G711mu[G.711-μ] --> SRTP; Ellipsis[...] --> SRTP; G726[G.726] --> SRTP;
```

The diagram illustrates the input to an SRTP parser. On the left is a large light blue rectangle labeled 'SRTP parser'. To its right are four light green rectangles stacked vertically. Arrows point from each green rectangle to the right edge of the blue rectangle. The green rectangles are labeled 'G.711-A', 'G.711-μ', '...', and 'G.726' from top to bottom.

G.711-A

G.711-μ
